Little Falls ABC

Meetings are held on the 3rd Wednesday
of the month at the Civic Center
Warren and Center Streets
Time: 7:00pm

The purpose of our organization is to encourage cultural, revitalization, educational and the beautification development of Little Falls. The objective of the Little Falls ABC is to preserve and enhance the business districts, parks, and recreational areas. Cultural events will be held to bring the residents and the business community into one cohesive unit. Our goals are designed to support and help, rather than replace, municipal government services.

Our beginnings...

In 2001 a few caring residents sitting around a dining room table who were driven by their concerns for our town started an alliance of volunteers.

We gave ourselves a name and more...

"The Alliance for a Better Community (Little Falls ABC)"... our first official meeting was held in 2002 and incorporated in 2004. Our membership grew and began to "get things done". Our accomplishments: assured all streets had signage and were properly lit. Established a garden and book club and lined Main Street with beautiful trees.

Awarding of Grants/Accomplishments:

We received grants from Passaic County Open Space for the Revitalization of the Morris Canal to improve the upper and lower pathways & recreation areas. (If you have not visited this area... please do so.... it is beautiful and it is in the heart of the Village area of our Town). Another grant upgraded the Tennis Courts and a grant from Tri-State for Crosswalk Safety. We also established outside dining.

Participation, community events and ongoing goals...

Free Summer Concerts and Marketplace, now in our 10th year! Earth Day, 9/11 Annual Tribute, Winter Holiday Celebration, Art Walk, creation of the Little Falls Magazine, Pedestrian/School Safety, regulating Truck Sizes, securing future grants to Beautify and Improve Promenade areas, information and support for Mid-Town Direct Trains, Environmental Solar Energy and Redevelopment/Revitalization.
